SABINE

**CHARACTER
REFERENCE GUIDE**

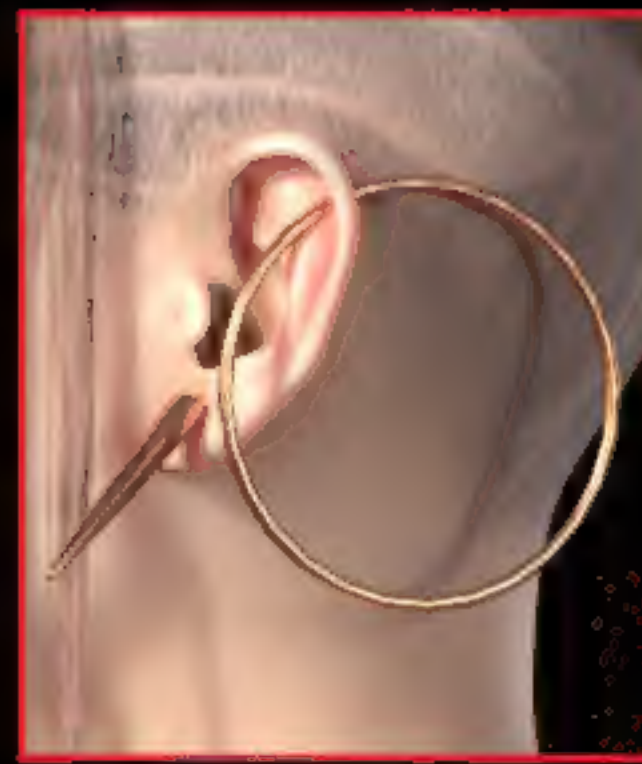

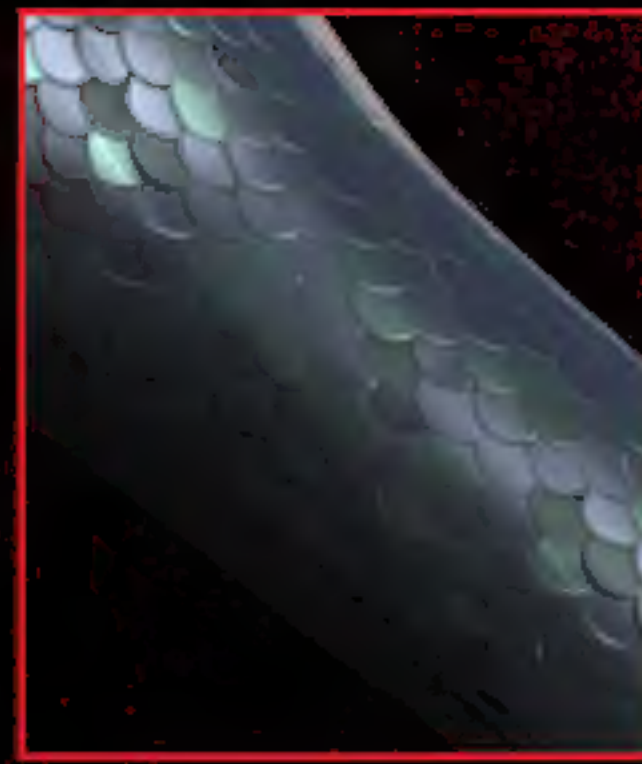

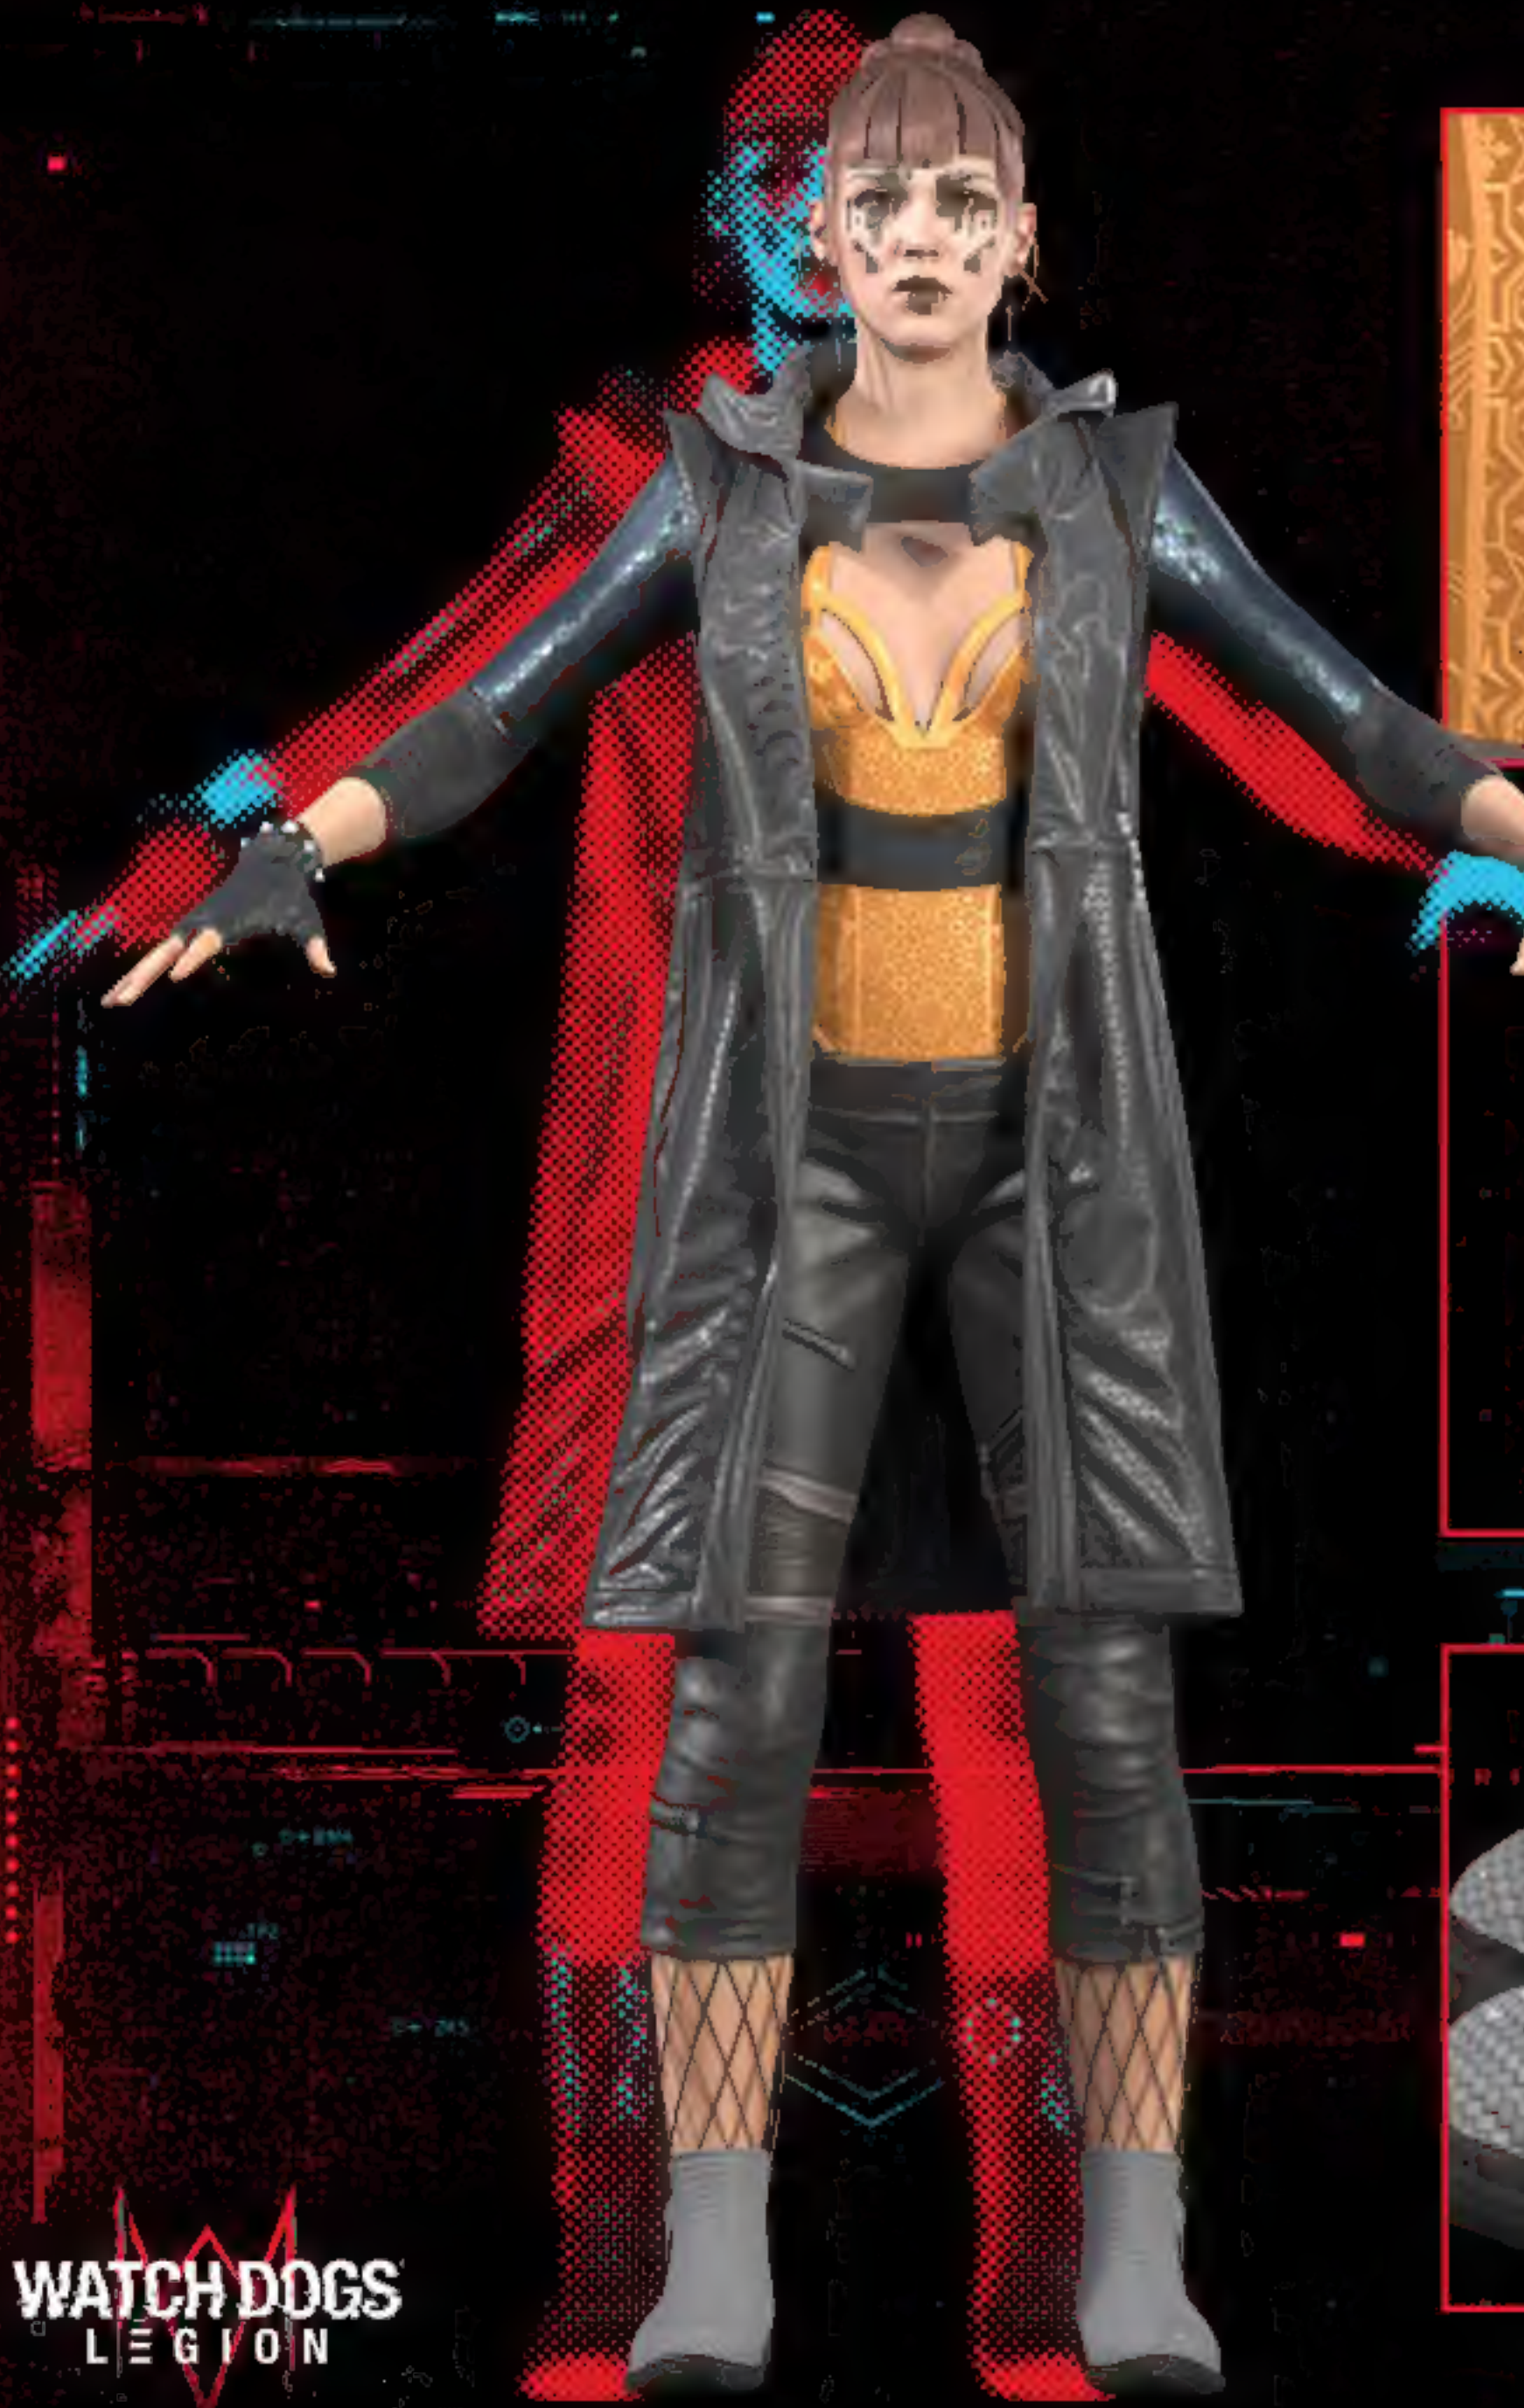

SABINE

A key member of DedSec London, Sabine Brandt is a skilled, clever, and methodical hacker who will go to any length to push the Resistance's cause. Her makeup is designed for crypto sublimation hacking, in order to hide from anyone trying to find her using facial recognition technology, and playing around with her design, the team took inspiration from contemporary alt pop and underground artists to settle on her edgier look. She has a clear vision of making the world a better place and will never stop fighting for it.
